JANUARY- MARCH

1st Quarter

2024

WELCOME TO 2024

We have seen the close of 2023 and welcomed in 2024. Our staff have had some time off and are rearing to get back into a steady flow of work again.

As the weather continues to stay warm, we can complete cow races, farm tracks, and drains. We have digger, grader and roller, ability to do any work big or small from start to end.

Start of February we head to the Kenworth 100-year celebration with eight trucks from the fleet, the show is on at Mystery Creek.

Did you know we have a six tonne digger available?

Great for those smaller jobs. Has trenching buckets of various sizes, cleaning bucket and an auger available.

Road closures Saddle Road

Monday 12th February - Friday 23rd February 2024

Monday to Thursday: 9am - 4pm.

Friday: 10am - 4pm

Remaining open at weekends and in the evenings.

What's happening for us in the next few months?

Keep an eye out for our most original fleet member, the 1975 Kenworth, W923R. Who is about to emerge from a complete restoration and revamp.

Don't forget February and March is a great time a year to get your cow races done. Call to book in today, 0800 SHN BULK.

"If agriculture goes wrong, nothing else will have a chance to go right"

M. S. Swaminathan

New Kenworth SAR welcomed to fleet

The end of 2023 saw the welcoming of the first brand new tipper truck to the SBH fleet. ROCSAR is a Kenworth T410 SAR, made in Melbourne, Australia. It has a PACCAR motor. The SAR will be driven by Jackson, give him a wave as you pass him.

What's on in our local community?
