3rd Quarter
2026

Out there doing it

Daylight savings has arrived, longer daylight hours, really makes it feel as though summer is on its way. The classic spring weather is here, wind! There have been a few trips to Wellington in the past month where wind has kept us on our toes. The team have been busy local side carting to Bulls lately with a big job on there.

Giving back to our community, we sponsored Tony Polato's daughter's 1st XI cricket teams golf fundraiser, which took place on Sunday 4th October. Jackson and a few friends had a team, tough competition out there! We wish Emily good luck for her tournament in Canterbury.

Check out our new sign and uniforms on the next page, a nice freshen up heading into summer.

Enjoy the last quarter of 2026!

New uniforms for the team

Check out our new uniforms designed by the talented team at Illicit clothing. A great showcase of all areas of our business. Our littlest team members modelling the design below.

**Fresh
upgrade to

yard**

**Vaughan reaches a decade
with SBH!**

This month we celebrate Vaughan who has been with us 10 years. He has kept us on our toes, never a dull moment with Vaughan around. We celebrated with a cake and BBQ last Friday.

Quote of the quarter:

*"There is no better time to
try new things than now"*
