Fine days keeping us busy

The temperatures have dropped, frosts are in full action, but the beautiful fine winter days have been keeping us busy. Not often we see fine sunny days taking us through till July, we have been making the most of it and getting out there doing it.

What's new for us this quarter? We've had a couple of new staff members join us - a big welcome to Nathan and Andrew, joining the linehaul side. Brian has celebrated the big 60, he definitely knows how to celebrate!

Make the most of this fine weather whilst it lasts, get in touch and we can help get the cow races sorted before calving begins. Don't forget we have a 6 T digger which is perfect for those smaller jobs.

Staff Mid-Winter Work do

A night out at the Hilltop in Palmy with the team, plenty of laughs, pool and cheering the ABs on. Good chance to unwind in our quieter season.

TE IWA O MATARIKI THE NINE STARS OF MATARIKI

Te Whakanui I A Matariki

When Matariki rises in the dawn sky, it is time to celebrate the natural world, the togetherness of whanau (family) and new beginnings

Quick trip turned into a long trip for Brian and Janelle. They headed to Raetihi to pick up Melvin's old tractor for their nephew, but the Scammel broke down in between Sanson and Foxton on their way home!

What's on in our local community?
